

For over 10 years **Switch Radio** has been delivering high quality education projects with schools to help unlock the talent and creativity of young people.

Our projects use **Radio** as an exciting and motivational environment for young people to gain academic and practical skills across a range of curriculum areas including **Media Studies, Citizenship, English, ICT and History.....**

ICT

Digital audio production software, music scheduling and audio playback systems

CITIZENSHIP

Producing a broadcast feature about the community or how parliament works

MEDIA

Programme production and presentation

ENGLISH

Verbal and written skills, interview techniques, script-writing, engaging story-telling, effective communication

HISTORY

Radio news reports of key moments and battlefields from history

If you'd like to find out more about working with Switch Radio we'd love to hear from you. Get in touch with Neil Hollins on 0121 749 1343 or e mail nhollins@switchradio.co.uk
